

For more than 50 years the company WITA has been developing and producing high quality products for heating systems in Germany.

Thanks to innovative products, modern production methods and a high level of quality knowledge, WITA becomes an integral part of the SHK wholesale trade as well as the small craft industries. We are known for the creative transformation of ideas into competitive products. Customer focus, agility, technical competence and professional project management are the cornerstones of our success.

We are looking for a/ n:

Sales-Representative International

You know our industry very well from your own professional experience and now you want to prove your expertise and devote your excellent communication abilities to sales area. You value flexibility as a constant companion.

Your Tasks:

- You promote and sell our products to customer
- You generate new customers and build long-term, successful business partnership with them
- You ensure a smooth customer inquiry procedure as well as cooperate with sales department
- You are responsible for customers loyalty and customer acquisition in your sales area
- You participate in national and international exhibitions
- You are able to well present our products in an attractive way to different customers

What we expect from you:

- excellent written and spoken English skills
- commercial or technical craft training
- several years of experience in technical field sales
- accountability, independence and flexibility
- communication and team skills
- service-oriented thinking
- enjoy dealing with customers

We offer you performance based salary, a company car, an interesting and varied job in an energetic, motivated and qualified team, as well as attractive social benefits.

You are welcome to submit your complete application documents with a meaningful letter of motivation, preferably in electronic form:
